Upcoming Events: September 20th at 6pm – Potluck Supper with Nō Ka 'Oi Drone Guys

The Nō Ka 'Oi Drone Guys will be our guest speakers this month and they will be talking about their Lighthouse Drone Project. Larry Peyton is a drone hobbyist who produces high quality aerial images. Cory Webb is a musician who writes original music for the videos. Bring a food item to share at our potluck starting at 6pm or arrive at 7pm and simply enjoy the guest speakers with us.

“The Nō Ka ‘Oi Drone Guys brand is not about us being the best, but rather us working to capture the best of where we live and visit: its terrain, beacons, coastlines and waterways.”

–Larry Peyton & Cory Webb

October 1st at 5pm –“Come for Supper”

Seafood Chowder & Rum Social.”

Everyone is welcome to our first ever Rum & Chowder Supper Social. Alan Pernette is showing off his culinary skills to give us all a delicious cup of homemade seafood chowder. In addition, there will be an opportunity to taste a variety of rum. The doors open at 5PM and the social will be held in the Fort Point Museum Community Room. We hope to see you all there.

Advance tickets are required. Call Geoff at 902-543-5709 to reserve your spot.

October 18th at 7pm – AGM & Volunteer Appreciation

Come join us for our AGM & Volunteer Appreciation Night. This event is to show our appreciation to all our volunteers that helped make sure everything ran smoothly this season at the museum. We couldn't have done any of it without all of our loving, caring and selfless helpers.

There will be coffee and dessert provided along with a picture slideshow of this season's events and accomplishments.

11TH ANNUAL LAHAVE FOLK FESTIVAL

We had another successful Folk Festival this year. There were tons of great performances and we want to thank everyone for coming out and having tons of fun with us. There were lots of photos taken at the event so we wanted to share a few with everyone.

2016 ACCOMPLISHMENTS

We had an Interpretive Panel this year that we needed repair. We had a \$1000 goal. Due to all of the kind hearts of our visitors we have reached our goal, so look for a new shiny panel at the entrance next season.

We were able to improve a lot this year with the museum. We fixed the outside benches and re-vamped the Mi'kmaq Display including a new little wigwam. Duncan McNeill continues to survey the grounds and we look forward to more results. We were also able to purchase two new garden benches for our visitors to enjoy.

We also want to say congratulations to all of couples who shared one of life's most important moments here and to the ones who started their lives as husband and wife on the very grounds of Fort Point.

Nancy Whynot

We would like to extend our appreciations to Nancy Whynot for being the guest speaker for our August Supper Talk. We really enjoyed everything you had to say about Mi'kmaq Culture. It was a real treat. We appreciate all the time you have given us this season whether it be with Heritage Holiday or the Supper Talk, you have been a big help. We hope to continue to have your support and participation for years to come.
